## ***TIRE ADMENDMENT | JULY 16, 2018***

Amendments: Rules are subject to amendments at any time when ample notice has been given to enhance competition

### **1. TIRE ALTERATIONS**

Tire Alterations for all divisions at Langley Speedway is NOT permitted. The minimum durometer reading is set at **"55"**. The final decision will be made by the Technical Director and Race Director. Possible disqualification and or fine could be accessed. Tire manufactures have issued the following statement; "NEVER attempt to chemically treat or alter the tire carcass and/or tread compound of any Racing Tire; such as tire "soaking" or use of tread "softener". This practice could result in premature or catastrophic tire failure with resulting serious injury or death."
