

MEDIA CREDENTIAL REQUESTS

- Media credentials will be issued only to recognized daily newspapers, news services, racing publications and other publications and internet sites that regularly cover motorsports, national television and radio networks, and local television stations
- All media credential requests must be submitted by the editor, sports editor, sports director, or sports producer. Credentials will be issued to authorized personnel only for the purpose of providing timely coverage of the event.
- Requests from individuals not employed by an accredited media outlet will not be considered
- Langley Speedway reserves the right to approve or deny credential requests, as well as number of granted credentials.
- Applying for a credential does not mean that a credential will be issued
- Media credentials do not guarantee working space in media work areas
- Issued credentials are non-transferable and must be accompanied by both state-issued and employer-issued identification; failure to carry both IDs is grounds for credential revocation
- Please submit only one application per media outlet, consolidating requests of all applicable departments (sports, news, photo, production, etc.)
- Those gaining a media credential will not be allowed to sell any products on the grounds
- Langley Speedway reserves the right to obtain copies of any and all photos, broadcasts, videos, articles, etc ... captured at the facility
- Those gaining a media credential must adhere to the rules and regulations set forth by Langley Speedway. Failure to comply with the direction of track officials will result in revocation of media credential for the remainder of the event and possibly future events.
- Requests should be e-mailed to vaughan@langley-speedway.com
