

**LARRY KING LAW'S LANGLEY SPEEDWAY  
15<sup>TH</sup> ANNUAL HAMPTON HEAT**

## **GENERAL RULES**

The Hampton Heat will follow all rules posted in the 2023 NASCAR Weekly Racing Series Rule Book. Listed below are the engine packages as posted.

### **ENGINE, TOTAL WEIGHT // RIGHT SIDE WEIGHT // CARBURETOR**

- |   |                            |
|---|----------------------------|
| 1. GM 604 Crate, 3050 lbs. // 1375lbs               | 650 CFM, 1" open spacer    |
| 2. GM "Upgrade", 3100 lbs. // 1400 lbs.             | 500 CFM, 1" tapered spacer |
| 3. GM "Harrington Enforcer", 3100 lbs. // 1400 lbs. | 650 CFM, 1" open spacer    |
| 4. Ford 347 SR Crate, 3100 lbs. // 1400 lbs.        | 650 CFM, no spacer         |

### **TIRES**

This event will be a Hoosier F-45 eight (8) tire event and these tires must be purchased at the event. Each team may purchase four (4) Hoosier F-45 Tires for practice and four (4) Hoosier F-45 tires for qualifying.

The four (4) tires used in qualifying must be used during the entire event. The four (4) tires purchased for practice will be each team's emergency use tires during the event. Teams are allowed to bring in practice tires, but these cannot be used during the event.
