Subject To Change

RACE PROCEDURES

- The Hampton Heat is 200 lap event and Caution laps will NOT count. The CONE and FREE PASS rules will be in effect may result in double file restarts
- There will be one (1) break at or about lap 100. Pit road will be closed at the break until race control relays for the caution truck to come to pit road. Cars will not go to their pit stalls you will be double filed on pit road
- This is a four (4) tire feature race
- Four (4) practice tires will be checked in to be used as emergency change flat on the rim tires
- All tires used must have been purchased and recorded by the tire officials at the track July 19th or 20th

CAUTIONS

- Slow down and get single file. Your position will be determined by the last completed green flag lap do not pass or run side by side
- Caution truck will be in turn 1 Be conscious of safety equipment
- Pit road speed is 35 MPH. Caution laps will not count during the feature race. Be aware of the free pass car going to the outside. We will cone up with 2 to go
- You must maintain caution truck pace (explain) stay closed up to the car in front of you
- No work under red flag. Race control may see the need for a Red/Yellow
- If you are involved in an accident and cannot continue, stay in your car with your helmet and restraints on Drop your window net down. If you cannot drive your car back to the pit you must take the mandatory ride in the safety vehicle and be released in the infield Care Center
- At no time are you permitted to pass the caution truck, unless you are directed to do so by race control your spotter will relay this message to you
- If the red flag is displayed, STOP on the track at the direction of race control we will line you up in the position you would have held on the restart NO PASSING
- Winner to Start / Finish line 2-5 plus pole winner to tech area

RESTARTS

- All restarts will be in the re-start zone. The leader does not need to reach the start / finish line first but must be the first one to accelerate in the re-start Zone
- You may pass to the inside or outside once your car reaches the Start-Finish Line.
- Stay closed up to the car in front of you. If you lay back in race controls judgment, you may be penalized
- Be careful weaving after one to go

TIRE IMPOUND GUIDELINES

FRIDAY

- Tire impound opens at 11:00am
- Tires will be rolled out to competitors as per their size requested
- (4) four qualifying/race tires will be rolled out first. The car number and a "Q" will be marked on the inside and outside and placed to the side in the impound area
- Up to (8) practice tires will be rolled out second. The car number and a "P" will be marked on the inside and outside. These tires will be mounted and must immediately leave the tire impound area
- Once all practice tires are mounted the qualifying/race tires will be mounted and must remain in the impound area

SATURDAY
